Minutes from December were not available and will be approved at the next meeting in February.

5. Item A: Review the Action Plan and Define Next Steps

Daina Loeffler asked if any of the committee members had any updates for the indicators. We discussed how complex the EL Strategic plan is and how many of the indicators seem to be duplicated and did not have measurable goals. The committee reviewed the indicators and agreed that there are numerous indicators that will be difficult to track. The committee requested additional time to review the indicators and review the Onstrategy report. The committee will review these and will determine the priorities at the next meeting.

6. Item B: Identify 3-5 Working Priority Areas

(Discussion, For Possible Action) The Early Learning Subcommittee will review Action Step Working Document and begin identifying individual areas of expertise for work moving forward.

Daina Loeffler & Tina Springmeyer, Committee Co-Chairs

The committee agreed to determine these at the February meeting after reviewing the indicators on their own. Materials will be sent out for their review.
