

Framework & Key Strategies of a Comprehensive Early Childhood System

Strategic Planning Process Agreements for Feedback/Discussion

- Wider inclusion of Early Childhood system partners in planning and implementation
- Target equity across Nevada's diverse communities
- More focus on actionable, quantifiable outcomes
- Design plan with maximum flexibility for ongoing realignment with other emerging projects, connections, coalitions, new federal funding, etc. (P-3, HRSA, ARP, etc.)
- Include relevant recommendations from 2019 Needs Assessment
- Develop strategies for increased engagement of and support for local ECACs
- Utilize 3 ECAC subcommittees as focus groups in their areas while moving toward wider cross-sector and system strategies
- Utilize ad hoc subcommittee for strategic planning feedback and guidance
- Seek full engagement and participation from all ECAC members
- Remain open to ongoing feedback from ECAC members throughout planning process
