

Assembly Bill No. 79—Committee on
Health and Human Services

CHAPTER.....

AN ACT relating to children; providing for the establishment by statute of the Nevada Early Childhood Advisory Council; prescribing the membership and duties of the Council; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Federal law requires, as a condition of state participation in the federal Head Start program, the Governor to designate or establish an advisory council on early childhood education and care. (42 U.S.C. § 9837b) In fulfillment of this obligation, the Nevada Early Childhood Advisory Council was created by an executive order of the Governor on September 11, 2009, and was continued by executive order on July 14, 2011. By the terms of the executive order signed on July 14, 2011, the Council will cease to exist on July 31, 2013. This bill statutorily establishes the Nevada Early Childhood Advisory Council by the Governor. This bill also sets forth the membership of the Council, which must be appointed by the Governor and include membership as required by federal law, plus representatives of nonprofit organizations located in northern and southern Nevada that provide early childhood education programs. The statutory Council has substantially the same duties as the Council created by executive order but must also establish, in cooperation with the State Board of Education, guidelines for evaluating the school readiness of children.
