Student Achievement Division - Office of Inclusive Education		Committed to ensuring that ALL students in Nevada are college- and career- ready upon exit from the public school system. To accomplish this, the NDE Office of Inclusive Education strives to build and improve on collaborative efforts with state partners and education stakeholders state-wide. It is our goal to promote educational success for Nevada's students through increased academic rigor; use of evidence-based practices; providing sustained professional development for administrators, teachers, and staff; providing technical assistance in data-based decision making; and building meaningful partnerships with districts, schools, and parents.							
IDEA Part B, Section 619 (3-5 year olds)	NICRP	Nevada is committed to ensuring that all young children with disabilities have the ability to meet their needs in accordance with the Individuals with Disabilities Education (IDEA) Program.	IDEA Indicator B6: Preschool Educational Environments The Federal Office of Special Education Programs (OSEP) requires states to annually collect and report educational environments data for all children aged 3-5 with an Individualized Education Program (IEP). This includes: A. The percent of children aged 3-5 with IEPs attending a regular early childhood program and receiving the majority of special education and related services in the regular early childhood program; and B. The percent of children aged 3-5 with IEPs attending a separate special education class, separate school or residential facility.	IDEA Indicator B7: Early Childhood Outcomes OSEP requires states to measure and report the extent to which preschool children with IEPs make progress on 3 outcomes: A. Positive social-emotional skills (including social relationships) B. Acquisition and use of knowledge and skills (Including early language/communication and early literacy) C. Use of appropriate behaviors to meet their needs	IDEA Indicator B12: Transition OSEP requires that data be collected and reported on the percent of children that transition from Part C (Early Intervention Services) to Part B 619 (Preschool Special Education Services) with an IEP developed and implemented by their 3rd birthday.				https://doe.nv.gov/Inclusive_Education/Early_Childhood/IDEA_Indicator_B6/ https://doe.nv.gov/Inclusive_Education/Early_Childhood/IDEA_Indicator_B7/ https://doe.nv.gov/Inclusive_Education/Early_Childhood/IDEA_Indicator_B12/ NV State Performance Plan Annual Performance Report: Part B
