

Think Tank Purpose

The Nevada Department of Education is beginning a "Kindergarten Think Tank" to support all things kindergarten related. Our hope is that by forming this group we will improve our communication to teachers and schools, provide or develop needed resources, and gather stakeholder input on kindergarten issues.

NV Kindergarten Think Tank

Members

The Office of Early Learning and Development is committed to creating an inclusive committee of diverse perspectives. Professionals and stakeholders will be invited to join the committee representing various settings across the state of Nevada.

Time Commitment

The committee will meet quarterly, virtually, for 1-1.5 hours in duration. Reoccurring meeting dates and times will be selected based on survey data and group availability.
