

Article I – Name

Nevada’s state advisory council on early childhood education and care shall be the Nevada Early Childhood Advisory Council, hereafter referred to as the Council.

Article II – Creation & Purpose

Section 1. Creation

In compliance with section 642B of the Head Start Act, Governor Jim Gibbons created the Council by executive order in September 2009. The Council was continued by an executive order signed by Governor Brian Sandoval in July 2011. Effective May 24, 2013, Assembly Bill (AB) 79 established the Council in Chapter 432A of the Nevada Revised Statutes (NRS). In 2019, Assembly Bill (AB) 194 expanded the Council membership and established the requirement of an annual report to the Legislature and Governor.

Section 2. Purpose

The Council shall work to strengthen state-level coordination and collaboration among the various sectors and settings of early childhood education programs in Nevada.

Article III – Roles & Responsibilities

Section 1. NRS 432A.076 and the Head Start Act of 2007

NRS 432A.076 includes State Advisory Council responsibilities as outlined in the Head Start Act of 2007. NRS 432A.076 establishes in Nevada Statute that the Council shall:

- A. Conduct periodic statewide assessments of needs relating to the quality and availability of programs and services for children who are in early childhood education programs.
- B. Identify opportunities for and barriers to coordination and collaboration among early childhood education programs funded in whole or in part by the Federal Government, the State, or a local government.
- C. Develop recommendations for:
 1. Increasing the participation of children in early childhood education programs funded in whole or in part by the Federal Government, the State, or a local government, including, without limitation, providing information on such programs to underrepresented and special populations.
 2. The establishment or improvement of core elements of the early childhood system in this State, including, without limitation, a statewide unified system for collecting data relating to early childhood education programs.
 3. A statewide professional development system for teachers engaged in early childhood education; and
 4. The establishment of statewide standards for early childhood education programs in this State.
- D. Assess the capacity and effectiveness of institutions of higher education in this State in developing teachers in the field of early childhood education.
- E. Establish, in cooperation with the State Board of Education, guidelines for evaluating the school readiness of children. The guidelines must:
