

# Parents and Family Leaders - Join Us!

The Nevada Early Childhood Advisory Council is proud to announce our new Family Leadership and Engagement Subcommittee.

The purpose of this subcommittee is to:

1. Provide guidance and recommendations for a coordinated and sustainable statewide infrastructure that elevates family voice, engagement, and leadership in decision-making to ensure early childhood services are responsive to the needs of children and families.
2. Elevate and support meaningful family engagement and leadership to ensure family voices inform early childhood policy development, advocacy, and decision-making at all levels.

**Our first meeting is Monday, May 11, 2026 from 10:00AM-11:00AM**

We are looking for family leaders across the state, whether or not you have experience in state meetings or advisory councils, your vital experience is raising children in Nevada. Please consider joining us at our first meeting to learn more about this new subcommittee.

We are also looking for Family Leadership & Advocacy groups that work with families.  
Your participation matters!
